As always, we have a large stock of stamps of the United States, United Nations, Canada, British Commonwealth, Eastern and Western Europe, and Asia with some covers and collections from these areas. I concentrate on acquiring high-catalog, quality singles and sets from the above areas; so when you need to fill those hard spaces, please see me. Recent additions include extensive Italian and French colonies stamps. A **list of U.S. singles, plate blocks, duck stamps or unexploded booklets and panes and a Selection of Worldwide Stamps** can be obtained on our Web site or will be sent on request. Please let us know if we can fill any of your philatelic or numismatic needs. On the reverse is a selection of worldwide high catalog items for sale.

We are always interested in buying quality United States and worldwide collections. Stamps, coins, paper money, covers, even model trains, are wanted. Thank you, *Tom Jacks, member APS, ASDA USSS, ANA.*
